**Individual work**

**Conceptual Understanding**

**Draw and colour the pictures**

**Information Skills - Project work**

**Appreciation**

**Ask a Question**

**Do this and Discuss**

**Can I do this?**

## THE EXPECTED CHANGE COMES FROM ME

1. *I always keep a hand bag with me. I say no to polythene covers.*
2. *I don't waste water. I store water in containers and use up to the needs.*
3. *I save energy. I decrease the electricity charges and cut down the expenditure. I control the pollution.*
4. *I grow plants and use things made of wood.*
5. *I separate the dry and wet waste products( garbage).*
6. *I collect old things and give them to the needy.*
7. *I reduce unnecessary travel. I use public transport as far as possible.*
8. *I use solar energy all the day and reduce the usage of current during the night.*
9. *I use on line services and e-seva and reduce the traffic on roads, fuel consumption and air pollution.*
10. *I share these ten commandments with all and try to make at least three persons to practice these good habits.*

**Save trees - Grow trees**

**Save water - Conserve water**

**Wash your hands before and after meals**

**Keep the surroundings clean and tidy -**

**Protect your health**
