INTERNAL ASSESSMENT IN HINDUSTANI MUSIC - GUIDELINES FOR MARKING WITH GRADES

Criteria	Purity of Swar	Laya	Knowledge of raga/taal	Ability to recall practical and theoretical concepts	Overall effect or presentation
Grade I each part 8 marks	Possesses an impeccable sense of pitch and note production is similarly perfect.	Has an accurate perception of rhythms, its speed and variations. Can build a solid foundation for musical variation.	Portrays the raga accurately and with appropriate feeling. Moves within the confines of the 'taal' structure.	Performance and presentation reveals a thorough knowledge of raga attributes and of the structure of the taal in general.	Inspired, error free presentation of melody and rhythm. Accurate conception of pitch, correct identification of raga and taal.
Grade II each part 6 marks	Has good total value but lacks note perfection or vice versa.	Can maintain an even tempo and is usually accurate in the use of 'layakari" or rhythmic variation.	Expresses great feeling but is less than faithful to the grammar of raga or taal.	Presents well but betrays lack of crucial theoretical inputs like "Nyas" in the improvisation.	Pleasing rendition of melodic and rhythmic forms, a good working knowledge of various degrees of pitch, different ragas etc.
Grade III each part 4 marks	Has a moderate sense of pitch with a satisfactory ability to project musical notes.	Is somewhat erratic in the maintenance of the taal's speed. However somehow strives to manage the laya.	Can only express the raga in the most limited pathways. Has difficulty knowing his/her position vis-a-vis the taal.	Diligent and keen but shows poor knowledge of concepts like 'alankara' and 'varna'.	Uninspiring, but adequate bookish presentation of course material. Erratic sense of pitch. Shaky knowledge of raga and taal.
Grade IV each part 2 marks	A bare semblance of musical quality in both tone and pitch concepts. Sometimes goes off scale.	Is unable to maintain an even 'laya' foundation. Consistently increases or decreases the speed and cannot perform even 'Dugun' in proper time.	The Raga is recognizable only as a vague idea. Is often out of rhythm and has little knowledge of the dynamics of taal.	Moderate presentation not backed by inner reference to VadiSamvadi or Tali, Khali of Raga and Taal.	Barely scrapes through the basic required idioms of melody and rhythmic cycle. Poor concept of pitch, taal, and raga.
Grade V each part 0 marks	Does not seem to have any concept of pitch. Rendition is off-key.	Has no idea of tune and its relationship to melody. Cannot maintain the rhythm of simple melodies.	Correctly maintains the audiments of either of the two important elements.	Presentation is confused with poorly stated phrases, broken in pitch and rhythms.	Has no semblance to musical effect of any sort. Cannot keep a tune or maintain tempo. No concept of raga or taal.
