UNIT-5

ZOO MANNERS

Be careful what
You say or do
When you visit the animals
At the Zoo.

Don't make fun
Of the Camel's hump –
He's very proud
Of his noble bump.

Don't laugh too much
At the Chimpanzee –
He thinks he's as wise
As you or me.

And the Penguins
Strutting around the lake
Can understand
Remarks you make.

Treat them as well
As they do you,
And you'll always be welcome
At the Zoo.

– Eileen Mathias

Unit-5

This Unit is about sensitising children to creatures in nature. Spend time in talking about experiences at a zoo and about the pictures in this Unit. Ask children, how can we be friends to animals? In what ways are zoo animals our friends? Read more stories on animals to them.

Develop listening skills

Read the text.

Let the children close their eyes, hear and identify the following sounds as you or some children make them –

- Roar like a lion
- Bark like a dog
- Neigh like a horse
- Moo like a cow
- Quack like a duck
- Chirp like a sparrow

Then ask them to open their eyes and ask them to roar like a _____.

Let the children say which animal it is. Add other sounds.

Develop pronunciation

Say aloud with children words like –

do	zoo	lake	make
hump	bump	loud	proud
funny	bunny	henry	penny

Exposure to language

Let the sight words be the names of animals/ insects that the children have seen. These can be hung on the trees/ walls in the school campus.

Develop speaking skills

Have a 'group recitation' between the class groups. Appreciate their efforts. Do not force children who are not ready for speaking.

Read *Funny Bunny*. Let children tell what might have happened if the animals had stopped to look around them. Look at the sign of *To the fort*. Help children with making more signs for directions to the house, park etc.

Reading stories aloud, repeated reading, choral reading, story telling and re-writing activities can be encouraged.

Develop writing skills

- To look, imagine and write a few sentences on questions from the text is now expected, but keep a check tag and see whether the children are able to hold the pencil with a firm grip, and ensure they are able to enjoy writing.
- A class chart where everyone comes and writes her/his name under their group (Red, Yellow, Blue, Green) is a wonderful opportunity to see them enjoy writing time.
- Make children construct meaningful sentences of opposites, so as to make the meaning clear.

Getting ready to follow instructions

- Teach words of greeting like *namaskar/adab* and other words that mean 'hello'.
- Have the children take turns pretending they are saying 'hello' to something in the classroom. Let the other children guess what the child is saying hello to.

Say the poem together 'Hello and Goodbye'—

All: *Hello and Goodbye*

Group Red

When we are on a swing swinging low and then high.

Goodbye to the ground, Hello to the sky.

Group Blue

Hello rain, Goodbye to the Sun.

All: *Hello and Goodbye.*

- Encourage the children to make a story in their own words by looking at the picture story.
- Take the children to visit a zoo. Talk about not hurting or teasing the animals. Make a class collage.
