Hiawatha was a young Red Indian boy. He lived with his old grandmother, Nokomis, in a wigwam.

Nokomis taught Hiawatha about the wonders around them. She told him about the stars, the trees, the insects, the birds, the animals, and many other things.

Hiawatha grew up to love them all. He could talk to the birds and the animals, and they to him.

“Then the little Hiawatha
Learned of every bird its language,
Learned their names and all their secrets,
How they built their nests in Summer,
Where they hid themselves in Winter,
Talked with them whene’er he met them,
Called them ‘Hiawatha’s chickens.’
Of all beasts he learned the language,
Learned their names and all their secrets,
How the beavers built their lodges,
Where the squirrels hid their acorns,
How the reindeer ran so swiftly,
Why the rabbit was so timid,
Talked with them whene’er he met them,
Called them ‘Hiawatha’s Brothers’.

The Scholar’s Mother Tongue

A learned Pundit once visited the court of Akbar. He told the King and his courtiers that he had mastery over many different languages.

The Pundit could speak many languages fluently. He was so fluent that no one could find out what his mother tongue was. He challenged everybody at
the court to name his mother tongue. When everyone failed, the challenge was taken up by Birbal.

That night, Birbal went quietly to the Pundit’s room when he was asleep. He whispered into the Pundit’s ear and tickled it with a feather. The Pundit, half awake, cried out suddenly and shouted out words in his mother tongue.

Birbal came to the court the next day and told everyone that the Pundit’s mother tongue was Telugu. The Pundit was surprised and accepted the truth.

King Akbar then asked Birbal, “How did you find the truth?”

Birbal answered, “In times of difficulty, a person speaks only in his mother tongue.” He also told the King how he had gone to the Pundit’s room at night to find out the truth.

India is a country of many languages. Let’s see if you know what the people of the states in this crossword puzzle speak. The clues are given below. The first letter of each answer has been filled in for you.

Across
1. This language is spoken in Orissa
2. It is spoken in Karnataka
4. The people of Assam speak this language
7. This language is used in Andhra Pradesh
8. You can hear this spoken in Maharashtra

Down
3. The people of Kerala speak this language
5. This is our national language
6. The language of the Goan people
7. This is spoken in Tamil Nadu
9. It is widely spoken in Uttar Pradesh and elsewhere
The teacher’s effort in this Unit is to realise that as children develop the skill in using language, they acquire the ability to think objectively. Many factors in the home environment affect the way a child learns language.

- Help students use language to transmit and receive meaning.
- Develop in children the ability to listen effectively to communicate with others.

Give a variety of inputs in English and use the mother tongue as a resource. Materials can be designed to promote multilingual activities, and teachers need to work out how more than one language can be used naturally. Teachers can introduce parallel texts in more than one language – these may be the same story in different Indian languages to involve similar language activities such as rhymes, sound games, etc.

Warm up

Create a class drama where some children can take up roles as mummy, papa, dada, dadi, nana, nani. The rest of the class can go and ask them for their favourite food/clothes/stories (this exchange in a warm-up exercise will bring out the vibrancy of language).

Reading time

Reading is a transferable skill – improvement in reading in one language results in reading improvement in general. Try to foster correct pronunciation and develop fluency in speech.

Sharing time: Share the story of Mowgli the boy who was brought up in the Indian jungles with the help of Baloo the bear and Bagheera the panther and how they have to fight the tiger Sherkhan and the animals in the jungle. If possible let them hear the song (the Japanese animation of Jungle Book’s original story by Rudyard Kipling was dubbed in Hindi for Doordarshan in the early 1990’s).

Creative time: Ask children to talk to imaginary friends like the wind, water, trees, grass and ask them to write/draw what they felt.

Language corner: Class dictionary from Unit 1 to 6 should be checked and Unit 7 to be included.

Environment: An outdoor trip where the children are involved with creating a learning environment.
