

My Family Essay For Class 2

- My family is a joint family which consists of paternal and maternal grandparents, my parents and younger brother, our lovely dog and myself.
- My paternal grandfather is retired defence personnel and my paternal grandmother is a housewife who prepares delicious food for all of us.
- My maternal grandfather is an ex-Principal of a school and my maternal grandmother used to teach at the same school.
- My father is a doctor and my mother is a lawyer by profession and I have a younger brother too.
- We also have a lovely dog who listens to our commands obediently.
- My family teaches us moral values and lessons of discipline, hard work and cleanliness.
- In my family, all the members stay peacefully in unison and love each other.
- All members of my family love, respect and care for each other and stand by each other during tough times.
- My family goes for a family outing or leisure trip once every month.
- I pray to God earnestly to keep my family safe from the evil gaze of society and protect us from any misfortune.
