

10 Lines on My Family Essay for Class 1

I have a wonderful family and love all my family members.

My family consists of ten members - grandparents, parents, uncle, aunt, two brothers, one sister and me.

My father is an engineer and my mother is a school teacher by profession.

My grandfather is a retired government employee and my grandmother is a housewife.

My uncle and aunt are lawyers and all of my brothers and sisters go to the same school.

All my family members love, respect and care for each other.

My family goes for a picnic once every two weeks.

We all love to spend time with each other after dinner every night.

My family has taught me good lessons about love, unity and cooperation among ourselves.

I pray to God to protect my family from all evils and vices and keep us safe from all dangers of life.
