

My Garden Paragraph for Class 1

- I have a small beautiful garden in front of my house.
- There are many beautiful flowers like roses, orchids, sunflowers and lilies in my garden.
- My grandfather loves gardening and tends to our garden everyday.
- He taught me how to water the plants daily.
- I play with my pet dog, Jimmy in the garden every evening.
- Whenever I go for a vacation with my family, we visit the nurseries in the neighbourhood and collect more plant saplings for our garden.
- My favourite flower is an orchid and we have a variety of different colours in our garden.
- Every day the sun shines bright on the plants and beautiful butterflies hover upon the flowers.
- There is an apple tree in my garden which bears sweet fruits.
- Gardening is my favourite past time and I love to spend time in my garden.
