

## My Hobby Essay For Kids

A hobby is referred to as a person's favourite pastime for which he/she is passionate about. Hobbies play a significant role in our lives as this occupies our minds and enriches us with the opportunity to spend time in a productive way. Developing a hobby makes our lives enjoyable and worthwhile.

Hobbies are meant for recreational purposes and it can either be physical or a variety of other activities based on the personal preferences of a particular person. Some people enjoy reading novels, dancing, cooking, singing, drawing or painting, playing outdoor games like cricket, badminton, volleyball, etc.

Playing cricket is my hobby and it helps me in staying fit and healthy. It engages my mind, body and soul to be proactive and vigilant in my day-to-day tasks. Once I have completed my homework after school, I spend time playing cricket with my friends.

Sachin Tendulkar is my favourite cricketer and I wish to follow his footsteps to become like him someday. I really enjoy cricket as it provides relaxation and is really good for both my physical and mental health.
