

Myself Essay For Kids

My name is Peehu Roy. I'm an 8 year old girl. I live in Bangalore with my parents, brother and grandparents. I love my family very much. My birthday is on 4th April. I study in Class 3 at St. Joseph's Convent. I have an elder brother who is 5 years older than me. We study in the same school but in different classes. Every year I go for a vacation with my family during my winter holidays. My hobbies are reading story books, dancing and cooking. I like to help my mother in the kitchen sometimes.

I love going to school every day and respect all my teachers. I'm always punctual to school and regular in my studies. I love to play with my friends during break time. My best friend's name is Pooja and we play with dolls every day after school. I participate in all extracurricular activities and sports events of my school and try my best to do well. My school has a huge playground where I play several games with my friends. My school offers a healthy and peaceful environment to all its students.
