

Samagra Shiksha Scheme

Samagra Shiksha Scheme is an integrated scheme for school education extending support to States from pre-school to senior secondary level. The issues related to the development and welfare of human resource is an important part of the Social justice content in General Studies paper 2 of the [UPSC Syllabus](#). This article will be helpful for students preparing for IAS Exam or any other Government exams in terms of Government Schemes for Human Resource Development in the country.

The Government of India launched this scheme under the Ministry of Human Resource Development. The Department of School Education and Literacy looks after its administration.

- The scheme was launched with a view to improving the quality of school education.
- The Scheme represents a paradigm shift in the conceptual design of school education, by treating 'school' holistically as a continuum from pre-school, primary, upper primary, and secondary to the senior secondary levels.
- The scheme was drafted with the broader goal of improving school effectiveness measured in terms of equal opportunities for schooling, and also equitable learning outcomes.

Samagra Shiksha Scheme Genesis

The Samagra Shiksha Scheme was formed by subsuming the following three schemes to ensure an integrated and holistic school education:

- **(RMSA)** Rashtriya Madhyamik Shiksha Abhiyan
- **(SSA)** Samagra Shiksha Abhiyan
- **(TE)** Teacher Education

The goal is to treat schooling as a **smooth transition** from pre-school, primary, upper primary, secondary and senior secondary level. It focuses on improving the quality of education at all levels by integrating the two T's – **Teachers and Technology**.
