MoU between India and Brazil on Bioenergy Cooperation

Context:

The Union Cabinet has given its approval for the signing of Memorandum of Understanding between the Republic of India and the Federative Republic of Brazil on Bioenergy Cooperation.

Background:

- India and Brazil are major consumers of energy in the world.
- Brazil is one of the most important trading partners of India in the entire LAC (Latin America and the Caribbean) region.
- Brazil is currently the world's second-largest producer and consumer of biofuels. Biofuels and bioelectricity accounted for 18% of Brazil's energy mix.
- India also has a strong focus in the area of biofuels and has set a target to achieve 20% blending of ethanol in petrol and 5% blending of biodiesel in diesel by 2030 with the announcement of the new policy on Biofuels in 2018.

About the MoU:

- The MoU provides a framework to cooperate and promote investment in biofuel, bioelectricity and biogas supply-chains, including feedstock, industrial conversion, distribution and end-use sectors.
- Other important features of the MoU are:
 - Exchange of information on agricultural practices.
 - Policies regarding biomass for bioenergy, including sugarcane, corn, rice, oil-crops, and lignocellulosic crops. [Lignocellulose refers to plant dry matter (biomass)].
 - Policies for reducing greenhouse gas emission levels based on the use of biofuels.
 - Using cycle analysis and the issuance of emissions reduction certificates traded in an organised market.
 - Trade aspects and the promotion of a joint position to address market access and sustainability of biofuels, including advanced biofuels.
 - Engine and fuel modifications/adjustments that may be necessary for different percentages of biofuels blended with fossil fuels.

Cabinet grants Ex-post facto approval to amend the Bengal Eastern Frontier Regulations

Context:

The Union Cabinet gave its ex-post facto approval to the Adaptation of Laws (Amendment) Order, 2019 issued by the President of India under clause (2) of Article 372 of the Constitution to amend the Bengal Eastern Frontier Regulations (BEFR), 1873.

Details:

- The **notification will extend BEFR to the State of Manipur** to give its indigenous people

protection from the provisions of [Citizenship Amendment Act, 2019](#) and make necessary changes in the said Regulation.

About the Bengal Eastern Frontier Regulations, 1873:

- This regulation introduced the Inner Line Permit (ILP) concept. (The ILP regulates visit of Indians to States where ILP regime is prevalent under Bengal Eastern Frontier Regulation, 1873.)
- The Regulation protected the British Crown's interest in the tea, oil and elephant trade by prohibiting "British subjects" from entering into these "Protected Areas" (to prevent them from establishing any commercial venture that could rival the Crown's agents).
- The word "British subjects" was replaced by "Citizens of India" in 1950.
- In terms of Section 2 of the Bengal Eastern Frontier Regulations, 1873, the Inner Line Permit system is prevalent in the three North Eastern States, namely, Arunachal Pradesh, Mizoram and Nagaland. Citizens of other States require ILP for visiting these three States.
- The main aim of the ILP system is to prevent settlement of other Indian nationals in the States where the ILP regime is prevalent, in order to protect the indigenous/tribal population.

Swadesh Darshan Scheme

Context:

The Cabinet approves the release of funds for 10 projects of the Swadesh Darshan Scheme sanctioned in 2018-19.

About the Swadesh Darshan Scheme:

- The scheme was launched by the Union Tourism Ministry with the objective to develop theme-based tourist circuits in India.
- These tourist circuits will be developed on the principles of high tourist value, competitiveness and sustainability in an integrated manner.
- The scheme was launched in 2015.
- It is a Central Sector Scheme (which means 100% sponsored by the GOI).
- Under the Scheme **15 circuits** have been identified for development namely Himalayan Circuit, North East Circuit, Krishna Circuit, Buddhist Circuit and Coastal Circuit, Desert Circuit, Tribal Circuit, Eco Circuit, Wildlife Circuit, Rural Circuit, Spiritual Circuit, Ramayana Circuit, Heritage Circuit, Tirthankar Circuit and Sufi Circuit.
- **Objectives of the scheme:**
 - To position tourism as a major engine of economic growth and job creation.
 - Develop circuits having tourist potential in a planned and prioritized manner.
 - Promote cultural and heritage value of the country to generate livelihoods in the identified regions.
 - Enhancing the tourist attractiveness in a sustainable manner by developing world-class infrastructure in the circuit/destinations.
 - Follow community-based development and pro-poor tourism approach.
 - Creating awareness among the local communities about the importance of tourism for them in terms of increased sources of income, improved living standards and overall development of the area.

- To create employment through the active involvement of local communities.
- Harness tourism potential for its effects on employment generation and economic development.
- To make full use of the potential and advantages in terms of available infrastructure, national culture and characteristic strong points of each and every region throughout the country by the development of theme-based circuits.
- Development of tourist facilitation services to enhance visitor experience/satisfaction.

What is a Tourist Circuit?

- A Tourist Circuit is defined as a route having at least three major tourist destinations which are distinct and apart.
- Circuits should have well-defined entry and exit points. A tourist who enters should get motivated to visit most of the places identified in the circuit.
- A Circuit could be confined to a State or could be a regional circuit covering more than one State/Union Territory. These circuits may have one dominant theme and other sub-themes.

Transformational Organisational Restructuring of Indian Railways

Context:

The Union Cabinet has approved a transformational organisational restructuring of the Indian Railways.

The major reforms include:

- Unification of the existing eight Group A services of the Railways into a Central Service called **Indian Railway Management Service (IRMS)**.
 - Unification of services will end the prevailing 'departmentalism', promote smooth working of Railways, expedite decision-making, create a coherent vision for the organisation and promote rational decision-making.
 - Unification of services has been recommended by various committees for reforming Railways including - the Prakash Tandon Committee (1994), Rakesh Mohan Committee (2001), Sam Pitroda Committee (2012) and Bibek Debroy Committee (2015).
 - Creation of the new service IRMS will be done in consultation with the Department of Personnel and Training and the UPSC to facilitate recruitment in the next recruitment year. It will enable Railways to recruit engineers/non-engineers as per need, and offer equality of opportunity to both categories in career progression.
- Re-organisation of the Railway Board on functional lines headed by CRB (Railway Board Chairman) with four Members and some Independent Members.
 - Railway Board will no longer be organised on departmental lines, and replaced with a leaner structure organised on functional lines.
 - It will have a Chairman, who will act as 'Chief Executive Officer (CEO)' along with 4 Members responsible for Infrastructure, Operations & Business Development, Rolling Stock and Finance respectively.
- The existing service of Indian Railway Medical Service (IRMS) to be consequently renamed as **Indian Railway Health Service (IRHS)**.

SDG India Index & Dashboard 2019–20

Context:

NITI Aayog will launch the second edition of the **Sustainable Development Goals (SDG) India Index**, which documents the progress made by India's States and Union Territories towards implementing the 2030 SDG targets.

Details:

- The SDG India Index and Dashboard 2019–20 have been developed in collaboration with the Ministry of Statistics and Programme Implementation (MoSPI), the United Nations in India, and the Global Green Growth Institute.
- NITI Aayog has the mandate of overseeing the adoption and monitoring of SDGs in the country, at the national and sub-national level.
- **The SDG India Index, whose first edition was launched in December 2018, was the first tool developed by any large country to monitor the progress towards achieving SDGs at the sub-national level.**
- The SDG India Index and Dashboard 2019 tracks the progress of and ranks all States and UTs on 100 indicators drawn from MoSPI's National Indicator Framework, comprising 306 indicators.
- It indicates where the country and its States and UTs currently are on SDG implementation, and charts the distance to be travelled to reach the SDG targets.
- The Index covers 16 out of 17 SDGs and a qualitative assessment on Goal 17. This marks an improvement over the 2018 Index, which covered only 13 goals.
