

**Question 1:**

Why did the crow need a pot?

**Answer:**

Crow needed the pot so that he can fill it with water, and then use that water to wash his beak.

**Question 2:**

Who all helped the crow to make the pot?

**Answer:**

The black-smith, trowel, clay-pit and the potter helped the crow to make the pot.

**Question 3:**

What things did the potter need?

**Answer:**

Potter needed clay.

**Question 4:**

Are there utensils made of clay in your house? Which are these?

**Answer:**

Yes, a flower vase and a Buddha idol is made of clay at my house.

**Question 5:**

If someone gives you clay, will you be able make some utensils from it?

**Answer:**

No, I don't think that I will be able to make some utensils from the clay.

**Question 6:**

What will happen if you store water in these pots overnight?

**Answer:**

If we store water in the clay pots overnight, the pot will break.

**Question 7:**

We often keep water in a clay pot at home or in the school. Why do these pots not get spoilt by the water?

**Answer:**

This is because these pots are baked in a kiln which makes the pots stronger.

**Question 8:**

Have you ever seen bricks or pots being baked in a kiln?

**Answer:**

No, I have not seen bricks or pots being baked in a kiln.

**Question 9:**

Long, long ago, when people did not have any pots, what did those people do?

**Answer:**

They used to store things in banana and pumpkin leaves; and also in pumpkin and watermelon shells.

**Question 10:**

Why would people have made pots?

**Answer:**

To store liquids, people would have made pots.

**Question 11:**

Imagine – one day all the pots disappear from the world. What will happen in your house?

**Answer:**

We might face trouble in storing food and liquids.
