

# NCERT Syllabus Class 10 Economics

Students must go through the Class 10 Economics Syllabus right at the beginning of the academic session. It will provide an overview of the course curriculum. Students will get to know the topics which they have to study throughout the year. Knowing the syllabus will also help in planning the studies in an effective way. So, to help them prepare better for the exam, we are providing the NCERT Class 10 Economics Syllabus.

## NCERT Class 10 Economics Syllabus

The syllabus is designed by the NCERT based on the guidelines of National Curriculum Framework (NCF) 2005. The syllabus is divided into 5 chapters. Students can have a look at the NCERT Economics Syllabus of Class 10 below:

Economics: Understanding Economic Development
Chapter 1: Development
Chapter 2: Sectors of the Indian Economy
Chapter 3: Money and Credit
Chapter 4: Globalisation and the Indian Economy
Chapter 5: Consumer Rights

After having a look at the syllabus, students should map out a study plan for themselves and should start studying from the [NCERT Class 10 Book](#). Doing so will help them in preparing well for the board exam.
