

NCERT Syllabus Class 10 Geography

Geography is a subpart of class 10 Social Science subject. It contains 20 marks of weightage out of the total 80 marks. Thus, this subject plays an equally important role in the board exam. Here we are providing the NCERT Class 10 Geography Syllabus. The syllabus focusses on India's physical forms and resources in a manner that interacts with the work of geographers, historians, economists and the political scientists' discussion of democratic practice the world over.
