

My Sister Essay for Class 2

- My sister's name is Reet. She is 2 years younger to me.
- She studies in UKG. She is very sweet, polite and kind-hearted.
- We spend most of the time with each other. We go to the same school and have lunch together.
- After school, we play cricket in the evening. Then, we watch cartoons and I read storybooks to her.
- She is very active. She keeps roaming around the home and talking to everyone.
- She loves to recite poems. She also enjoys listening to fairy tales and mythological stories.
- She takes part in school functions. She participates in dancing, singing and fancy dress competitions.
- She is very intelligent. She easily memorizes poems, songs and answers to simple questions.
- She is a very caring person. She starts to cry when I get hurt or I am unwell.
- She is obedient and adorable. I wish that she stays happy and healthy always.
