

Bicycle Essay For Class 2 Kids

- I have a beautiful bicycle, which is pink in colour.
- My bicycle is just 3 months old and I enjoy riding it regularly.
- My father gifted me this beautiful bicycle on my birthday.
- The body of the bicycle is made of steel and the tyres are made of rubber.
- I keep my bicycle neat and tidy by cleaning it with a piece of cloth everyday.
- Initially, I used to fall down often while balancing myself on the cycle.
- My father taught me how to ride it smoothly as he used to hold it from behind, while I was riding it.
- I can ride it comfortably now while going to or coming from school everyday.
- Cycling is a great exercise, which helps in keeping me healthy.
- I love my bicycle and will continue to ride it as I grow older.
