How I Spent My Summer Vacation Essay For Kids

- Summer vacation is the best time of the year as it gives me a chance to relax and explore new things.

- It gives me an opportunity to take a break from my daily study routine and adopt new hobbies like gardening, dancing and painting, while also having fun with friends.

- This summer, I visited my grandparents’ place which is located far away from the hustle and bustle of the city.

- My cousins visited our grandparents too during their summer vacation and we spent the whole day playing outdoors.

- Our grandfather loves gardening and we helped him plant saplings and water the plants in the garden.

- Our grandmother prepared delicious and mouth-watering dishes for us and we relished every bite of the food.

- Towards the evening, we all used to sit together by our grandmother’s bed and listen to her mesmerizing stories.

- Thereafter, all of us used to go to the terrace and play games like hide and seek.
- At night time, we gazed at the stars and listened to the interesting tales about the moon, stars and the sun, narrated by our grandfather.

- I had a wonderful time spending some priceless moments with my grandparents.

- I feel blessed to have such a caring and loving family, with whom I enjoyed my summer vacation thoroughly.
