1. Vani and Prasad learnt this beautiful craft from their family members. When they grow up, do you think they will be able to teach their children the skills of this craft?

Answer:

Yes, they will be able to teach their children the beautiful craft learnt from their family members to their children.

Write in your notebook

1. Have you ever seen anybody weave something on a loom? What were they weaving and where?

Answer:

Yes, I have seen weavers in a textile industry. They were weaving sarees at kancheepuram.

2. The threads of a saree are dyed. Do you know of any other thing that is dyed?

Answer:

Woolen thread is also dyed.

3. If you visit Vani's village it seems as if the entire village is weaving sarees. Do you know of any other work which many people living in one place do?

Answer:

Yes, the pottery work is another one.

4. Do they make some article?

Answer:

They make earthen pots and cookware.

5. Find out the process of making the article? What are the different steps?

Answer:

Firstly, a dough of fine earth is prepared. The dough is then put on a wooden wheel, which is called Potter's wheel. Using the Potter's wheel the desired shapes are given to the earthen dough. By this way different pots and toys are made and finally dried under the sun and then baked in kiln. Lastly, they are coloured as per requirement.

6. Do men and women do different kinds of work to make this article?

Answer:

No, both of them do the same work to make the article.

7. Do children also contribute in making this article?

Answer:

Yes, children also contribute in making the articles.

Find out and write
