

## List of Countries And Their Parliaments

### What is Parliament?

The very center of any form of democracy, parliament is a legislative body of government categorized in two parts Unicameral and Bicameral.

The name of Indian parliament is Sansad that is a bicameral legislature consisting of two houses – the Lok Sabha (House of the People) and the Rajya Sabha (Council of States). Check the [functions of Parliament in India](#).

Similarly, there are parliaments of different countries with either two or one house of legislature. Did you know, **Althing is the oldest parliament in the world**. It is the parliament of Iceland founded in 930 and still exists.

Given below is the list of Parliaments of different countries.
