

My Neighbour Essay for Class 2

- My neighbour's name is Mrs. Martha D'Souza. She is an old lady.
- She stays with her son, daughter-in-law and grandson in my neighbourhood.
- She has a grandson, Jacob who is a good friend of mine. We study in the same school and play together.
- She is a polite and kind-hearted person who cooks pancakes whenever I visit her house.
- She is an elderly woman and I address her as Granny as she resembles my grandmother.
- I love spending good time with her and she often reads out fairy tales to me.
- She has a pretty smile and I have never seen her getting angry at anyone.
- She loves knitting and knits sweaters of different colours at all times.
- She offers valuable advice and always guides us to walk on the right path.
- Our families always help each other in times of need and we are fortunate to have such lovely neighbours.
