DO GOOD TO UNDO EVIL

Pre-reading activity:
How many of you like stories?
Who tells you stories at home?
What kind of stories do you like? Do you like stories of animals, birds, kings and queens?

Varaguna was the king of Dharmapuri. He was a very good king. He was very kind to the people. He was noble and just. Chandralekha, the queen, was also like him. People liked their king and the queen.

Varaguna and Chandralekha had a son. His name was Vikrama. Vikrama was the prince of Dharmapuri. He was very cruel. He felt happy when others suffered. He killed birds and animals for fun.

noble - living upright, good
cruel - causing pain, suffering
Please don't kill birds and animals. As a prince it is your duty to protect them.

Father, all kings hunt animals. Hunting is a royal sport. It shows their bravery. So, that is why I love to hunt.

My son! you live happily with your parents in this palace. Animals too have families. Don't kill them, my son. Please stop hunting them.
Vikrama gets angry. He shouts.....

Mother, Please let me be free. I want to enjoy life. I can't stop hunting.

One day... in the forest........

The sun is about to set. I have not been able to kill any animal. I have lost my way. Oh God! Please lead me to the palace.

Vikrama hears a loud roar. He runs fast.

God, save me please. The forest is very dark. Where shall I go now? Is there anyone to help me? Please, please help me.

roar - cry of a lion
Who is that?

Who is running there?

Hey look! It's our prince Vikrama. He looks frightened.

Dear prince, come close, don't be scared. We won't harm you. Please come home.

Vikrama goes.....
Please sit down. What are you doing here in the dark? You look tired. Have you come alone?

I came here to hunt. I lost my way. I am very hungry. Will you please help me to reach my palace?

The animals give him fruits to eat.

Please calm down prince. You are not alone now. Have some fruits. Rest here. You can go to your palace in the morning.
Dear Prince, you hunt animals and birds for fun. Think how the young animals would suffer without their parents.

My dear prince, all living beings have the right to live. Why do you kill us?

Dear friends, I have learnt a lesson. I will not hunt anymore. I will learn to love everyone. I also thank you for helping me to change my evil behaviour with your goodness.

Vikrama sheds tears........
