6. Read the following paragraph and interprete the changes taken place in social and economic fields in India.

   Land reforms were implemented in a half hearted manner across India. While Zamindari system was abolished, redistribution of land to landless did not take place. The rich and powerful in the rural areas continued to control most of the land. The dalits continued to be landless but benefitted from the abolition of forced labour and abolition of untouchability.
7. Read the following paragraph and interpret. How can you justify "The women getting the right to vote was a big step"?

After long struggle for political right like right to vote, British women got these rights in 1918. In the long protracted wars like world wars, industrial production and other services are necessary, with men away in the battle fields, more women had to work in factories, shops, offices, voluntary services, hospitals and schools. Beginning with confidence, being bread winners, women began raising their voice for equality in all walks of life. Getting the right to vote was a big step in that direction.
