

## Honesty is the best policy Essay in English for Kids

- *“Honesty is the best policy” is a famous English proverb.*
- *It encourages the quality of being honest i.e. truthful and sincere.*
- *The meaning of honesty is the best policy is that even if one finds lying an easier option, telling the truth is the best course of action.*
- *The proverb puts light on the importance of genuineness and integrity in an individual’s life.*
- *An honest person is always more courageous and confident than a dishonest person.*
- *This is because the dishonest person will always be scared of the revelation of truth. Such a person can never be at peace.*
- *Honesty imparts peace and happiness to the individual who practices it.*
- *An honest person tends to make stronger and healthier relationships with the people around.*
- *Honesty is always respected and recognized in society. It is a reflection of one’s strong character.*
- *Like all other good values, one learns honesty at home through family members and in school through teachers.*
