

My School Library Essay in English for Kids

- *A library is a place where one can find a huge collection of books, periodicals, etc.*
- *My school library is huge. It has two big rooms.*
- *One room has books arranged neatly on shelves. Another room is called the reading room. It has tables and chairs where students sit and read books.*
- *Mrs. Reet Rathod is our librarian. She is very strict about maintaining discipline in the library.*
- *We need to maintain silence in the school library.*
- *In my school library, we have various types of books- fictional, non-fictional, literature, books on general knowledge, etc.*
- *I love to read storybooks and books on general knowledge which have colourful illustrations.*
- *Books in my school library are arranged in such a way that students find them easily.*
- *We are allowed to borrow at most three books from the school library at a time. We need to return the books within three weeks from the date of issue.*
- *I feel blessed to have a library in my school. It encourages me to read more when I see so many students reading different types of books in the library.*
