

## Essay on My Favourite Animal Horse for Class 3

### MY FAVOURITE ANIMAL

© Byjus.com

- *My favourite animal is a horse. It is very powerful and fast.*
- *Horses are friendly and obedient.*
- *In olden days, horses were used in wars and battles due to their robustness and endurance.*
- *Horses have thin but strong legs which assist them in running at a fast pace.*
- *They have beautiful long hair on their tail and neck.*
- *They have a sharp sense of smell and hearing which makes them apt for riding and battles.*
- *They are herbivorous animals which means that they only eat vegetarian food, especially grass.*
- *They live in sheds which are called stables.*
- *They carry people from one place to another in forests and hilly areas.*
- *We can find them in different sizes and colours like red, white, black, golden, brown, etc.*
