

My Garden Essay for Class 2

- *I have a beautiful garden beside my house.*
- *There is lush green grass in the garden. The grass is very soft and velvety.*
- *My garden is full of fascinating flowers - roses, orchids, dahlia, lilies, mogra, marigold, daisies, sunflowers, etc.*
- *There are numerous herbs like tulsi, fenugreek, coriander, mint, etc. planted in the garden by my grandmother.*
- *My garden also has lots of trees that bear delicious fruits- mangoes, guavas, pomegranate, apples and custard apples.*
- *All these colourful flowers, plants and grass give the garden a captivating look when the cool and bright sunlight falls on them in the morning and evening time.*
- *My father tends to all the plants and trees of the garden regularly in the morning.*
- *When we return from school, my sister and I play in the garden in the evening.*
- *On holidays, we spent a lot of time in our garden. My grandfather tells us stories of kings and fairies while we all sit around him in the garden.*
- *Gardens exhibit how beautiful nature is with all its colours and hues. When I grow up, I will also plant more plants and trees in my garden.*
