

## Drawing Is My Hobby Essay for Class 1 Kids

- Everyone has a hobby which rejuvenates them from their daily work.
- Some people enjoy reading, some like collecting old coins and stamps and there are some who enjoy colouring, sketching and drawing as their favourite pastime.
- My favourite hobby is drawing and colouring as it makes me feel happy.
- I love to draw pictures of my loved ones, animals, trees and birds.
- I use water colours, crayons, drawing pencils and colour pencils for drawing pictures.
- I give my drawings as a gift to my parents and friends on their birthdays or any special occasion.
- I participated in my school drawing competition this year and got the first prize.
- I love playing with colours and love to draw the beautiful sunset view from my room's window.
- My parents and teachers always encourage me to participate in school drawing competitions or social functions.
- It gives me immense pleasure and happiness when I complete a drawing and my elders and friends appreciate my effort.
