

QS World University Ranking 2022

The results for Quacquarelli Symonds' (QS) World University Rankings 2022 were released on June 8, 2021. A total of 1,300 Universities from around the world were featured in this 18th edition of annual ranking and QS released that it was their largest rankings ever.

Three of India's Institutes have also achieved a position in the top 200 Universities across the world. However, the tally of Indian Institutes has remained the same for the fifth straight year. The country's Universities that have ranked the highest are:

1. **Indian Institute of Technology (IIT), Bombay - 177th Rank**
2. **Indian Institute of Technology (IIT), Delhi - 185th Rank**
3. **Indian Institute of Science (IISc), Bangalore - 186th Rank**

About Quacquarelli Symonds & World University Rankings

Quacquarelli Symonds (QS) is a leading global career and education network and develops and successfully implements methods of comparative data collection and analysis used to highlight institutions' strengths.

The QS World University Rankings are annually released and comprise an overall and subject-wise analysis of global institutes which is achieved by evaluating six metrics:

1. Academic Reputation
2. Employer Reputation
3. Faculty/Student Ratio
4. Citations per faculty
5. International Faculty Ratio
6. International Student Ratio
