	Total	100	100	

Points to Remember: Central Bank of India SO Posts 2022-23

- The online test will be of **objective** type and each question will have 5 options.
- There is a **negative marking of 0.25 marks** for each wrong answer, hence candidates should choose the answer options carefully.
- The online test will be conducted in **English and Hindi**. Candidates can select the language as per their preference.
- 20 minutes compensatory time (in addition to 60 minutes) will be allotted to the candidates with disability (who are eligible for compensatory time).
- During the examination, candidates should keep track of the time allotted for the exam. There will be a countdown timer in the top right corner of screen that will display the remaining time available with the candidate to complete the exam.
- After selecting the appropriate answer for every question, candidates should click on the **'Save and Next'** option.
- Candidates can also click on the **'Mark for Review & Next'** button, in order to mark the question for review.
- Candidates should **not** press any 'keyboard keys' during the test as this will lock the exam.
