

## SEBI Grade A Officer Exam Books 2022

The Securities and Exchange Board of India (SEBI) seeks qualified applicants for the position of Assistant Manager. SEBI Grade A Exam candidates come from a variety of backgrounds, including general, legal, information technology, and engineering. Their performance in a two-phased online exam and interview will determine their selection. Both online-written examinations consist of two papers: Paper-I and Paper-II. The candidates are advised to go through the detailed SEBI Grade A Exam 2022 Syllabus, before starting the preparation for the SEBI Grade A Exam.

The syllabus includes a wide range of topics such as General Knowledge, Aptitude, Reasoning, English and specific subjects such as General Stream, Legal, Information Technology, Civil Engineering, Electrical Engineering, Research and Official Language. With such a wide syllabus, it is necessary for students to refer to limited good books. It might be time-consuming to manually look for suggested publications for the SEBI Grade A exam. Therefore, we have compiled a selection of books that candidates may use to prepare for both the phase 1 Screening Test and the phase II Online Examination. Read the whole article for a list of SEBI Grade A books.

### SEBI Grade A Books for Phase 1: Screening Test

Paper-I will be shared by all streams. Except for a few subjects, the syllabus of Paper-II of Phase-I and Phase-II is similar. Quantitative Aptitude, English Language, Reasoning and General Awareness is all part of Paper I. The books for all these subjects are discussed below:

S. No.	Subject	Name of Books	Author and Publication
1.	<b>Reasoning Ability</b>	A modern approach to verbal Reasoning	RS Aggarwal
		Analytical Reasoning	MK Pandey
		A New Approach to Reasoning Verbal and Non-Verbal	BS Sijwali
		Indu SijwaliHow to Crack Test of Reasoning	Arihant Publication
		The Reasoning section of the test is expected to be moderate to difficult. Practice is the only way to score well in the reasoning section. These books will assist you in understanding the essential ideas of each subject. To answer reasoning problems, analytical and creative talents are required, which can only be obtained by practice.	
2.	<b>Quantitative Aptitude</b>	Fast Track Objective Arithmetic	Rajesh Verma
		Quantitative Aptitude for Competitive Examinations	R. S Agarwal (S. Chand Publication)

		Data Interpretation	Arun Sharma (TMH Publication)
		Magical Book on Quicker Mathematics	M Tyra (BSC Publication)
		Quantum Cat	Sarvesh Kumar Verma
		Improve your computation speed by learning tables, squares, cubes, square and cube roots, percentage values, and so forth. Examine all of the subjects' concepts thoroughly. Previous year's questions are critical for understanding the test's level.	
3.	<b>English Language</b>	English Grammar and Composition	Wren & Martin
		Word Power Made Easy	Norman Lewis
		Objective General English	SP Bakshi (Arihant Publication)
		It is essential to have a large vocabulary for the English Section. Learn at least 10 new words every day and revise them frequently. For grammar, go through the core grammatical rules from the books listed below first, and then practice as many questions as you can. Reading and comprehension abilities are crucial in the English part. Reading a newspaper, books and internet articles on a daily basis might help.	
4.	<b>General Awareness</b>	Banking Awareness Handbook of Banking Information	N.S.Toor
		Banking Awareness	Arihant Publication
		Static GK General Knowledge	Arihant
		Lucent General Knowledge	Lucent
		Reading a newspaper on a daily basis can increase not only your general awareness but also your knowledge of the English section. If you've studied current events over the previous six months, the general awareness section will be easy for you.	

Books for Paper II is for subject-specific paper, the syllabus for Paper II for Phase 1 and Phase 2 is the same and the best books for Paper II is given in the next section.

## SEBI Grade A Books for Phase 2: Screening Test

The second phase of the SEBI Grade A online test consists of two papers. The first paper is a descriptive paper with questions about English writing and understanding, while the second paper has questions about the relevant subjects.

7.	<b>Information Technology</b>	DBMS and SQL	Korth
		Programming Concept	Dennis Richie
		Computer Network concept	Kurose & Ross
		Information and cyber security	Forouzen
		Introduction to Algorithm	Cormen
		IT Syllabus can't be studied from a single source and different books must be studied for different topics, to cover the syllabus.	
8.	<b>Previous Years' Papers</b>	Candidates must prepare and practice their test preparation by solving the previous year's test papers.	

Many applicants begin their preparation with passion but fail to complete it because of the extensive syllabus. It is to be noted that simply reading books for the exam will not be enough and one must learn and make notes for the exam. Recently, SEBI has revised the SEBI Grade A 2022 Exam Pattern, and with the addition of new topics, it has become challenging for many to crack the exam, particularly those from backgrounds other than banking. So, the above-mentioned books are very essential and the best books for SEBI Grade A test preparation.

## Why Books are Important for SEBI Grade A Preparation?

Since the syllabus of SEBI Grade A Exam is very extensive, and most aspirants rely on the internet for their preparation of the exam, aspirants should have limited books for each of the subjects. It is important to have best books for the preparation because:

- The books cover the whole course in detail.
- Each subject and topic is thoroughly explained in the books.
- It makes it simple to grasp and remember the concepts.

- The difficult topics can be marked on the book and revised easily.
- Follow BYJU'S for the latest information on the SEBI Grade A and other Government Exams.
