## 1. Indian Institutes of Technology

Indian Institutes of Technology (IITs) are institutions of national importance established through Acts of Parliament for fostering excellence in education. Over the years, IITs have created a world class educational platform that is dynamically sustained through quality teaching and internationally acclaimed research with excellent infrastructure and the best available minds. The faculty and alumni of IITs occupy key positions in academia and industry throughout the world and continue to make considerable impact on all sections of the society. At present, there are twenty-three IITs across the country.

The primary objectives of IITs are as follows:

- To create an environment that encourages freedom of thought and pursuit of excellence and inculcate the necessary vision and self-discipline to achieve excellence.
- To build a solid foundation of scientific and technical knowledge and to prepare competent and motivated engineers and scientists.
- To kindle an entrepreneurial spirit among the students.
- To prepare the students to become outstanding professionals and contribute to nation building.

Admission to various undergraduate programs [see [Clause 2. ACADEMIC PROGRAMS](#)] across IITs is carried out through the Joint Entrance Examination (Advanced) [JEE (Advanced)]. The Joint Entrance Examination (Advanced) 2023 [JEE (Advanced) 2023] and the subsequent process of admission to the IITs shall be governed by the rules contained in this document, read in conjunction with the Business Rules of the Joint Seat Allocation Authority (JoSAA) 2023 (to be published separately).

## 2. Academic Programs

Through JEE (Advanced), IITs offer admission into undergraduate courses leading to a Bachelors, Integrated Masters, Bachelor-Master Dual Degree in Engineering, Sciences, or Architecture. Both Bachelors and Masters degrees are awarded to candidates enrolled in the dual degree programs upon successful completion of the course curriculum requirements. In some of the IITs, students enrolled into the 4-year Bachelors program have the option to pursue B.Tech. (Honors) and/or B.Tech. with Minors. Dual Degree students may also pursue a Minor. Further, in some IITs, B.Tech. students also have the option to pursue Interdisciplinary Dual Degree, with Bachelors in the parent Department and Masters in some other Department. All the above options require fulfilment of certain academic performance related criteria. The types of academic programs offered at IITs and their minimum duration are given below\*:

B.Tech.	Bachelor of Technology	4 years
B.S.	Bachelor of Science	4 years
B.Arch.	Bachelor of Architecture	5 years
Dual Degree B.Tech.-M.Tech.	Dual Degree Bachelor of Technology and Master of Technology	5 years
Dual Degree B.S.-M.S.	Dual Degree Bachelor of Science and Master of Science	5 years
Integrated M.Tech.	Integrated Master of Technology	5 years
Integrated M.Sc.	Integrated Master of Science	5 years

\* Only those academic programs for which admission is based on JEE (Advanced) examination are shown here. These Institutes also have other academic programs, viz., B.Des., M.Tech., M.Sc., Joint M.Sc.-Ph.D., Joint M.Tech.-Ph.D., M.Des., Ph.D., etc. with different admission procedure and criteria not falling under the purview of JEE (Advanced).

However, not all the listed programs and courses are available in all the institutes. The relevant programs and courses offered in the academic year 2022-23 are given in [Annexure-III](#) (COURSES OFFERED IN THE ACADEMIC YEAR 2022-23). The programs that will be offered in the academic year 2023-24 will be announced by JoSAA 2023 during seat allocation (i.e. at the stage of filling-

in of choices for admission). An academic year usually starts in the month of July and ends in the month of June of the next year.

The programs are credit-based and thus offer the flexibility to progress at one's own pace. A minimum level of performance is essential for satisfactory progress. The medium of instruction is English in all the programs.

All Indian nationals who satisfy the eligibility criteria [*see [Clause 11 ELIGIBILITY CRITERIA FOR INDIAN NATIONALS FOR APPEARING FOR JEE \(ADVANCED\) 2023](#)*] can appear for JEE (Advanced) 2023. The successful candidates meeting the Class XII (or equivalent) performance criterion [*see [Clause 26](#)*] are eligible for admission into IITs. While allotting seats, policies as per Government of India rules are followed, depending on candidates' merit, category, and/or nationality. Foreign national candidates as also OCI/PIO candidates may appear for JEE (Advanced) 2023. The details of the eligibility criteria for them are available at <https://jeeadv.ac.in/foreign.html>.

### 3. Reservation of Seats

Indian nationals belonging to certain categories are admitted under the seats reserved for them in accordance with the rules prescribed by the Government of India. The categories and the extent of reservation are as follows:

- General category belonging to Economically Weaker Section (GEN-EWS) – 10% of seats in every course. The benefit of reservation will be given only to those General category candidates who satisfy the conditions given in the OM No. 20013/01/2018-BC-II dated January 17, 2019 issued by the Ministry of Social Justice and Empowerment.
  - The criteria for GEN-EWS will be as per the prevailing norms and/or notifications of the Government of India.
- Other Backward Classes belonging to the Non-Creamy Layer (OBC-NCL) – 27% of seats in every course.

- OBCs should be listed in the current updated central list of OBCs (<http://www.ncbc.nic.in>).
- OBCs present in the state list but not covered in the central list of OBCs (as per the list in <http://www.ncbc.nic.in>) are NOT eligible to claim the reservation.
- The criteria for Non-Creamy Layer (OBC-NCL) will be as per the notification of Government of India.
- Candidates belonging to the creamy layer of OBC are NOT entitled for reservation. Such candidates are treated as belonging to the general (GEN), i.e. unreserved category, and they will be eligible only for the OPEN seats – the seats for which all candidates are eligible.
- Scheduled Caste (SC) – 15% of seats in every course.
- Scheduled Tribe (ST) – 7.5% of seats in every course.
  - The benefit of reservation will be given only to those castes and tribes that are mentioned in the respective central list of corresponding states published by the Government of India (websites: <https://socialjustice.gov.in>) and <https://ncst.nic.in>).
- Persons with Disability (PwD) with at least 40% impairment – 5% seats in each of OPEN, GEN-EWS, OBC-NCL, SC, and ST category seats ([https://legislative.gov.in/sites/default/files/A2016-49\\_1.pdf](https://legislative.gov.in/sites/default/files/A2016-49_1.pdf)).
  - Candidates with at least 40% impairment irrespective of the type of disability i.e. locomotor, visual or SEVERE dyslexic shall be eligible for the benefits of PwD sub-category.
  - Leprosy-cured candidates who are otherwise fit to pursue the courses are also included in PwD sub-category.
- Candidates belonging to the GEN-EWS, OBC-NCL, SC, ST, and PwD categories/sub-categories will be declared as qualified on the basis of a relaxed criterion [see [Clause 22. RANK LISTS](#)].

The category of a candidate as entered in the database, which will be made available by the JEE Apex Board [which conducts the JEE (Main) 2023 examination], will be final and shall remain the same in JEE (Advanced) 2023 examination. Requests for change of category will NOT be entertained.

Candidates must note that the benefit of reservation will be given to them subject to verification of documents. If it is discovered at any stage that a candidate has used a false / fake / incorrect document, or has furnished false, incorrect or incomplete information, in order to avail the benefit of reservation, then such a candidate shall be excluded from all admission processes. In case such a candidate has already been given admission, the admission shall stand cancelled.

#### **4. Defence Service Candidates**

Defence Service (DS) candidates are children of defence/paramilitary personnel killed or permanently disabled in action during war or peacetime operations<sup>1</sup>. Two seats are available for preferential allotment in each Institute for DS candidates. To avail this preferential allotment, a DS candidate must be in the Common Rank List of JEE (Advanced) 2023 [see [Clause 22. RANK LISTS](#)].

#### **5. Supernumerary Seats for Female Candidates**

Following the directions of the Ministry of Education, Government of India<sup>2</sup>, and the decision taken by the IIT Council, supernumerary seats have been created for female candidates for improving the gender balance in the undergraduate programs in IITs. These supernumerary seats will be offered (a) to only those female candidates (Indian nationals and OCI/PIO candidates) who are declared qualified in JEE (Advanced) 2023, and, (b) strictly based on the performance in JEE (Advanced) 2023.

<sup>2</sup>Reference: F.No.35-8/2017-TS.III dated 30<sup>th</sup> October, 2017.

The number of supernumerary seats in various programs will be decided by individual IITs ensuring that every institute has at least 20% female enrolment in undergraduate program(s). The detailed procedure for implementation of the above shall be set out in the Business Rules of JoSAA 2023 (which will be made available subsequently on <https://josaa.nic.in>).

## 6. Foreign Nationals and OCI/PIO Candidates

### 6.1 Foreign Nationals

Candidates who are NOT citizens of India (by birth or naturalized) (but not OCI/PIO candidates) shall be considered as foreign nationals. Seats allotted to such foreign national candidates are supernumerary with a cap of 10% of total number of seats in every course. These candidates are outside the ambit of reservation of seats under the GEN-EWS, OBC-NCL, SC, ST, and PwD categories / sub-categories, as specified herein. There are no separate supernumerary seats or sub-category for females in the foreign national supernumerary seats.

The foreign national candidates, at the time of registering for JEE (Advanced) 2023 are NOT required to write JEE (Main) 2023 and may register for JEE (Advanced) 2023 directly subject to fulfilment of other eligibility criteria (for details foreign candidates may refer to <https://jeeadv.ac.in/foreign.html>).

## 11. Eligibility Criteria for Indian Nationals Appearing for JEE (Advanced) 2023

All the candidates **must simultaneously fulfil each and every one of the following five criteria** to appear for JEE (Advanced) 2023.

### **Criterion 1 – Performance in JEE (Main) 2023:**

Candidates should be among the top 2,50,000 successful candidates (including all categories) in B.E./B.Tech. paper of JEE (Main) 2023.

The percentages of various categories of candidates to be shortlisted are: 10% for GEN-EWS, 27% for OBC-NCL, 15% for SC, 7.5% for ST, and the remaining 40.5% is OPEN for all. Within each of these five categories, 5% horizontal reservation is available for PwD candidates.

The following table shows the order to be followed while choosing the top 2,50,000 candidates in various categories based on the performance in B.E./B.Tech. paper of JEE (Main) 2023.

**Category-wise distribution of top 2,50,000\* candidates (Criterion 1)**

Order	Category	Number of “Top” candidates	
1	OPEN	96187	101250
2	OPEN-PwD	5063	
3	GEN-EWS	23750	25000
4	GEN-EWS-PwD	1250	
5	OBC-NCL	64125	67500
6	OBC-NCL-PwD	3375	
7	SC	35625	37500
8	SC-PwD	1875	
9	ST	17812	18750
10	ST-PwD	938	

*\* The total number of candidates may be slightly greater than 2,50,000 in the presence of “tied” ranks / scores in any category.*

**Criterion 2 – Age limit:**

Candidates should have been born on or after October 1, 1998. Five years age relaxation is given to SC, ST, and PwD candidates, i.e. these candidates should have been born on or after October 1, 1993.

**Criterion 3 – Number of attempts:**

A candidate can attempt JEE (Advanced) maximum of two times in two consecutive years.

**Criterion 4 – Appearance in Class XII (or equivalent) examination\*:**

A candidate should have appeared for the Class XII (or equivalent) examination for the first time in either 2022 or 2023 with Physics, Chemistry, and Mathematics as compulsory subjects.

Candidates who had appeared in Class XII (or equivalent) examination for the first time in 2021 or earlier, are NOT eligible to appear in JEE (Advanced) 2023, irrespective of the combination of subjects attempted/offered.

*\* By appearance in Class XII (or equivalent) examination, it is meant that the Board concerned declared the result for that year irrespective of whether or not examination was conducted. It will be considered as an appearance even if the result of a particular candidate got withheld.*

However, if the examination Board of Class XII (or equivalent) declared the results for the academic year 2020-21 on or after October 25, 2021, then the candidates of that Board who appeared for their Class XII (or equivalent) examination in 2021 are also eligible to appear in JEE (Advanced) 2023, provided they meet all the other eligibility criteria. In case the examination Board of Class XII (or equivalent) declared the results for the academic year 2020-21 before October 25, 2021 but the result of a particular candidate was withheld, then the candidate will not be eligible to appear in JEE (Advanced) 2023.

**Criterion 5 – Earlier admission at IITs:**

A candidate should NOT have been admitted to an IIT irrespective of whether or not the candidate continued in the program OR accepted an IIT seat by reporting “online” / at a “reporting centre” in the past. Candidates whose admission to IITs was cancelled (for whatever reason) after joining any IIT are also NOT eligible to appear for JEE (Advanced) 2023.

Candidates who have been admitted to a preparatory course in any of the IITs for the first time in 2022 can appear in JEE (Advanced) 2023.

The candidates who were allocated a seat in an IIT through JoSAA 2022 but (i) did not report “online” / at any “reporting centre” OR, (ii) withdrew before the last round of seat allotment, OR, (iii) had their seat cancelled (for whatever reason) before the last round of seat allotment for IITs, are eligible to appear for JEE (Advanced) 2023.

However, in all of the above cases, the candidate is also required to fulfil the conditions mentioned from Criterion 1 to Criterion 4.

**Eligibility criteria for foreign national candidates and OCI/PIO card holders can be found at <https://jeeadv.ac.in/foreign.html>.**

## 22. Rank Lists

- Only candidates who appear for BOTH Paper 1 and Paper 2 will be considered for ranking.
- The marks obtained by a candidate in Physics in JEE (Advanced) 2023 will be equal to the marks scored in the Physics part of Paper 1 plus the marks scored in the Physics part of Paper 2. Marks obtained in Chemistry and Mathematics will be calculated in the same way.
- The aggregate marks obtained by a candidate in JEE (Advanced) 2023 will be the sum of the marks awarded to the candidate in Physics, Chemistry and Mathematics.
- Rank lists are prepared based on the aggregate marks in JEE (Advanced) 2023.
- If the aggregate marks scored by two or more candidates are the same, then the following tie-break policy will be used for awarding ranks:

**Step 1:** Candidates having higher positive marks will be awarded higher rank.

If the tie breaking criterion at Step 1 fails to break the tie, then the following criterion at Step 2 will be followed.

**Step 2:** Higher rank will be assigned to the candidate who has obtained higher marks in Mathematics. If this does not break the tie, higher rank will be assigned to the candidate who has obtained higher marks in Physics. If there is a tie even after this, candidates will be assigned the same rank.

- Rank lists for preparatory courses [see [Clause 28. PREPARATORY COURSES](#)] will be prepared for SC, ST, and PwD candidates in all categories who satisfy the prescribed relaxed criteria given below.
- A candidate is said to have qualified in JEE (Advanced) if he/she secures the minimum percentage of marks in each subject and in aggregate, as per respective category and as per the table given below. A candidate who

qualifies in more than one category will be considered in all the categories to which he/she belongs for the purpose of ranking.

- There will be no waiting list for ranking.
- Only those candidates who score the minimum prescribed marks in each subject AND also in aggregate will be included in the rank list. The minimum prescribed marks vary with the category as shown in the following table.

**Minimum percentage of marks prescribed for inclusion in the rank list**

<b>Rank List</b>	<b>Minimum percentage of marks in each subject</b>	<b>Minimum percentage of aggregate marks</b>
Common rank list (CRL)	10.0	35.0
GEN-EWS rank list	9.0	31.5
OBC-NCL rank list	9.0	31.5
SC rank list	5.0	17.5
ST rank list	5.0	17.5

*NOTE: (i) CRL is the rank list in which all candidates (across all categories) will be given ranks. (ii) Minimum percentage of aggregate marks may be lowered subsequently, if required, as per the MHRD directive (F.No. 28-8/2017-T.S.-I) dated June 13, 2018.*

## **23. Results of JEE (Advanced) 2023**

- Results will be declared on June 18, 2023 (Sunday). Category-wise All India Ranks (AIR) of successful candidates will be available through the JEE (Advanced) 2023 online portal after the results are declared. Text messages will also be sent to the candidates to their registered mobile numbers.
- Individual rank cards will NOT be sent to candidates.

- Qualifying in JEE (Advanced) 2023, filling in choices and/or participating in the joint seat allocation process do not guarantee a candidate admission to IITs. Admission will depend on merit and the availability of seats during various rounds of seat allocation.

## **24. Architecture Aptitude Test for B.Arch. program**

- B. Arch. program is available at IIT (BHU) Varanasi, IIT Kharagpur and IIT Roorkee only. Candidates desirous of joining the B. Arch. (Architecture) program will have to PASS the Architecture Aptitude Test (AAT).
- Only those candidates who have qualified in JEE (Advanced) 2023 are eligible to appear in AAT 2023.
- Apart from passing the Architecture Aptitude Test (AAT), the criterion of performance in Class XII (or equivalent) board examination [*see [Clause 26. PERFORMANCE IN CLASS XII \(OR EQUIVALENT\) BOARD EXAMINATION](#)*] will remain the same for B. Arch. program admission.
- Syllabus for AAT is given in [Annexure-I: SYLLABI](#).
- Candidates must register online at the JEE (Advanced) 2023 online portal for AAT as per the time schedule set out below.
- AAT will be conducted at all IITs.
- The test will consist of one paper of three hours duration.
- The question paper for AAT will be available only in the English language.

## 25. Examinations Considered as Equivalent to Class XII

- The final examination of the 10+2 system, conducted by a Central or State Board recognized by the Association of Indian Universities (AIU).
- Intermediate or two-year Pre-University examination conducted by a Board or University recognized by the Association of Indian Universities.
- Final examination of the two-year course of the Joint Services Wing of the National Defence Academy.
- Senior Secondary School Examination conducted by the National Institute of Open Schooling with a minimum of five subjects.
- Any Public School, Board or University examination in India or in a foreign country recognized as equivalent to the 10+2 system by the AIU.
- H.S.C. vocational examination.
- A Diploma recognized by the All India Council for Technical Education (AICTE) or a State Board of Technical Education of at least 3 years duration.
- General Certificate Education (GCE) examination (London, Cambridge or Sri Lanka) at the Advanced (A) level.
- High School Certificate Examination of the Cambridge University or International Baccalaureate Diploma of the International Baccalaureate Office, Geneva.
- Candidates who have completed Class XII (or equivalent) examination outside India or from a Board not specified above should produce a certificate from the AIU to the effect that the examination they have passed is equivalent to the Class XII examination.
- In case the Class XII examination is not a public examination, the candidate must have passed at least one public (Board or Pre-University) examination earlier.

## **26. Performance in Class XII (or Equivalent) Board Examination for admission to IITs**

- The Candidates must satisfy at least one of the following two criteria with Physics, Chemistry and Mathematics as compulsory subjects in the year of first appearance in the Class XII (or equivalent examination):
  1. Must have secured at least 75% aggregate marks in the Class XII (or equivalent) Board examination. The aggregate marks for SC, ST and PwD candidates should be at least 65%.
  2. Must be within the category-wise top 20 percentile of successful candidates in their respective Class XII (or equivalent) board examination.

The percentile calculation will be done for all the required subjects, in a single academic year only. Therefore, candidates appearing for improvement in Board examinations can EITHER appear in one or more subjects and secure 75% aggregate marks (65% for SC, ST and PwD) after improvement, OR, appear for improvement in ALL subjects to be in top 20 percentile (see Section titled “Regarding the cut-off marks for the top 20 percentile”) of the corresponding academic year.

- The marks scored in the following five subjects will be considered for calculating the aggregate marks and the cut-off marks for fulfilling the top 20 percentile criterion.
  - i. Physics
  - ii. Chemistry
  - iii. Mathematics
  - iv. A language (if the candidate has taken more than one language, then the language with the higher marks will be considered)
  - v. Any subject other than the above four (the subject with the highest marks will be considered).

- For calculation of the total marks for five subjects, if the marks awarded in a subject is NOT out of 100, then the marks will be scaled (up or down) to 100 so that the total aggregate marks is out of 500.
- If a Board awards only letter grades without providing an equivalent percentage of marks on the grade sheet, the candidate should obtain a certificate from the Board specifying the equivalent marks and submit it at the time of acceptance of the allocated seat. In case such a certificate is not provided, the decision taken by the Joint Implementation Committee of JEE (Advanced) 2023 will be final.
- For candidates who appeared in the Class XII (or equivalent) Board examination for the first time in 2022 and reappeared in ALL subjects (for whatsoever reason) in 2023, the best of the two performances will be considered.
- If a Board gives aggregate marks considering both Class XI and Class XII examinations (in the 10+2 system), then only Class XII marks will be considered. If a Board gives aggregate marks considering the results of all three years of a 3-year diploma or courses of equivalent duration, then the marks scored only in the final year will be considered. Similarly, for Boards which follow a semester system, the marks scored in the final two semesters will be considered.
- In case any of the subjects Physics, Chemistry, Mathematics and Language are not evaluated in the final year (e.g., in a 3-year diploma course), then the marks for the same subject from the previous year/s will be used for calculating percentage of aggregate marks.
- If a Board does not give marks scored in individual subjects but gives only the aggregate marks, then the aggregate marks given by the Board will be considered as such.

- The above will also apply correspondingly to those candidates who first appeared for their Class XII examination in 2021 but the examination Board of Class XII (or equivalent) declared the results for the academic year 2020-21 on or after October 25, 2021.

**For eligibility criteria foreign candidates and OCI/PIO card holders may follow the link <https://jeeadv.ac.in/foreign.html>**

### **26.1. Regarding the cut-off marks for the top 20 percentile**

- The category-wise cut-off marks for the top 20 percentile are calculated based on the marks scored by the successful candidates who appeared in their respective boards for all the required subjects, in the particular year.
- The cut-off marks for PwD candidates will be the same as the lowest of the cut-off marks for GEN, OBC-NCL, SC and ST categories.
- It is clarified that top 20 percentile cut-off for the academic year 2022–23 will be considered against the successful candidates who appeared in the Class XII (or equivalent) examination in 2023.
- Similarly, top 20 percentile cut-off for the academic year 2021–22 will be considered against the successful candidates who appeared in the Class XII (or equivalent) examination in 2022.
- Candidates who appeared in Class XII (or equivalent) examination for the first time in 2022 and wish to (or have to) reappear in 2023 with the objective to qualify through top 20 percentile cut-off criteria, must reappear in all the subjects. For such candidates, top 20 percentile cut-off for 2023 will be considered.
- In case a Board does not provide information about the cut-off for the top 20 percentile, the candidate will have to produce a certificate from the respective Board stating that he/she falls within the top 20 percentile of successful candidates. If the candidate fails to do so, then

the cut-off marks, in the respective categories, for the Central Board of Secondary Education will be used.

- The above will also apply correspondingly to those candidates who first appeared for their Class XII examination in 2021 but the examination Board of Class XII (or equivalent) declared the results for the academic year 2020-21 on or after October 25, 2021.

**26.2. Regarding the aggregate marks of 75% (or 65% for SC, ST and PwD)**

- The aggregate marks scored by the candidate in the 2023 Class XII (or equivalent) Board examination will be considered for candidates who will appear in the Class XII examination in 2023.
- The aggregate marks scored by the candidate in the 2022 Class XII (or equivalent) Board examination will be considered provided the candidate does not reappear in the Class XII (or equivalent) examination in 2023 in any of the subjects.
- If a candidate had appeared in his/her Class XII (or equivalent) in 2022 and wishes to improve his/her aggregate marks to meet the “aggregate marks of 75% (or 65% for SC, ST and PwD) criterion”, he/she can reappear for any number of subjects he/she wishes for improvement. The percentage marks in this situation will be calculated by considering the marks obtained in 2022 or 2023, whichever is higher, in the respective subjects, in his/her two attempts in 2022 and 2023.
- The above will also apply correspondingly for the candidates who first appeared for their Class XII examination in 2021 but the examination Board of Class XII (or equivalent) declared the results for the academic year 2020 - 21 on or after October 25, 2021.

## 27. Joint Seat Allocation

- The seats across IITs, NITs, IIITs and other Government Funded Technical Institutes (GFTIs) will be offered and allocated through a common process by the Joint Seat Allocation Authority (JoSAA), to be held in online mode for current year.

- Admission is given to the candidates in the preparatory course provided (i) the seats reserved for the respective category are vacant, (ii) candidates satisfy minimum norms, and (iii) candidates have not accepted a seat in the preparatory course earlier.

- Selected IITs will run preparatory courses of one-year duration for SC, ST and PwD candidates intended to prepare them to pursue the academic program (for Academic Year 2024-25) to which they have been allocated. At the end of this course, candidates are declared as ‘pass’ or ‘fail’. The institute at which one-year preparatory course is run for a candidate may be different from the institute allocated to the candidate for their academic program.
- On successful completion of the course, the candidates will be offered direct admission in 2024 (Academic Year 2024-25) to the already allotted undergraduate course at the originally allocated IIT.
- Candidates admitted to the preparatory course in 2023 are eligible to appear for JEE (Advanced) 2024 subject to fulfilling other eligibility criteria [see [Clause 11. ELIGIBILITY CRITERIA FOR INDIAN NATIONALS FOR APPEARING FOR JEE \(ADVANCED\) 2023](#)].
