

# EXERCISE 9.2 PAGE NO: 196

#### 1. Total number of animals in five villages are as follows:

Village A: 80

Village B: 120

Village C: 90

Village D: 40

Village E: 60

Prepare a pictograph of these animals using one symbol to represent 10 animals and answer the following questions:

- (a) How many symbols represent animals of village E?
- (b) Which village has the maximum number of animals?
- (c) Which village has more animals: village A or village C?

## **Solutions:**

We can draw the pictograph for the given data as shown below

Village	Number of animals	- 10 animals
Village A	$\otimes \otimes \otimes \otimes \otimes \otimes \otimes$	$\otimes$
Village B	$\otimes \otimes \otimes \otimes \otimes \otimes \otimes$	$\otimes \otimes \otimes \otimes \otimes$
Village C	$\otimes \otimes \otimes \otimes \otimes \otimes \otimes$	$\otimes \otimes$
Village D	$\otimes \otimes \otimes \otimes$	
Village E	$\otimes \otimes \otimes \otimes \otimes \otimes$	

- (a) There are 60 animals in village E. So 6 symbols represent animals of village E
- (b) Village B has 120 animals which is the maximum number among these villages.
- (c) Village A has 80 animals, and village C has 90 animals. Clearly, village C has more animals than village A
- 2. Total number of students of a school in different years is shown in the following table

Years	Number of Students
1996	400
1998	535
2000	472
2002	600

# NCERT Solutions for Class 6 Maths Chapter 9 – Data Handling

2004	623

A. Prepare a pictograph of students using one symbol to represent 100 students and answer the following questions:

- (a) How many symbols represent total number of students in the year 2002?
- (b) How many symbols represent total number of students for the year 1998?
- B. Prepare another pictograph of students using any other symbol each representing 50 students. Which pictograph do you find more informative?

**Solutions:** 

🕏 - 100 Students		
1996	* * *	
1998	* * * * 1	
2000	* * * <sup>†</sup>	
2002	* * * * *	
2004	<b>ተ ተ ተ ተ ተ</b> 1	

### A

- (a) Total number of students in the year 2002 represents 6 symbols
- (b) Total number of students in the year 1998 represents 5 complete symbols and 1 incomplete symbol
- B. Second is more informative.
